ARCHERY NZ MERIT PINS

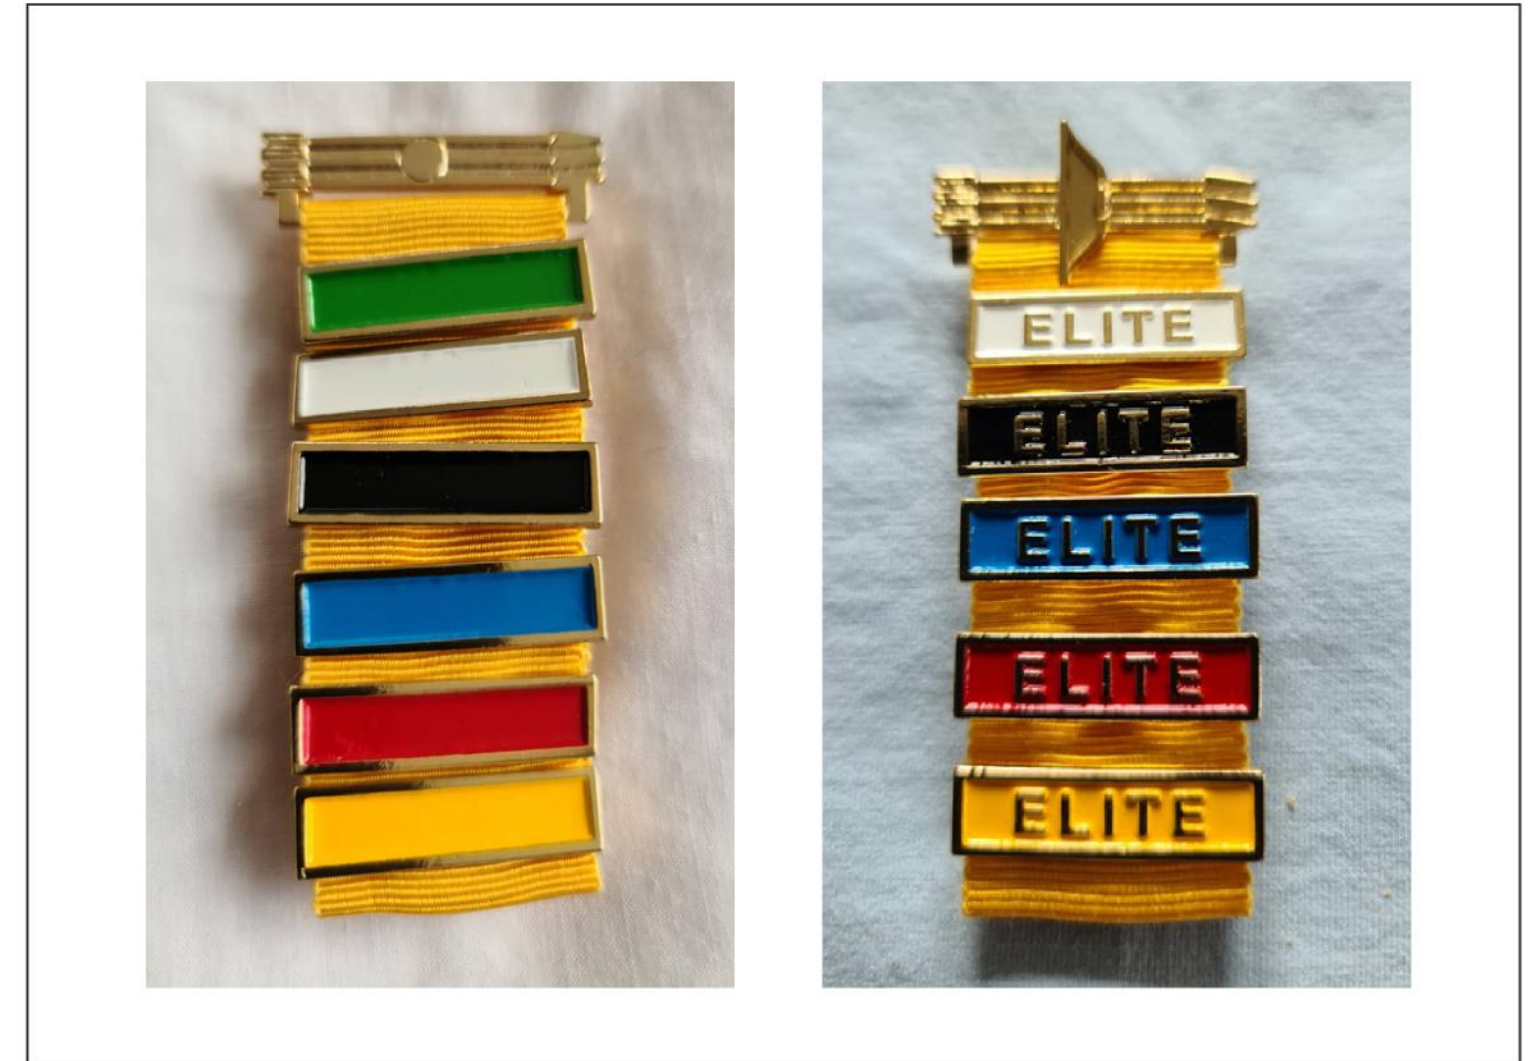

This is the equivalent of an achievement system for most archers. These awards may be claimed by any age division or bow type.

They do not need to be shot at a registered tournament, but you do need your scorecard verified by another club member.

The pins can be claimed in any order but if you want a way to challenge yourself, start at the beginning with the green!

- Remember that Canadian 900 rounds (which are also the Archery NZ Interclub League rounds) are included in this system.
- The Junior Burton is only available for those in U11, U14 and U16, Novice and Development Classes.
- There are perfects available for Burton, Canadian 900, York and Hereford and Silver Fern rounds.

The full list of rounds and distances are on the following page.
